Training Services - Trainer
(OESC07TS04)

Description

This course is designed for experienced OpenEMIS managers/users, who intend to lead further training with colleagues and counterparts. Participants will receive advanced training on OpenEMIS, along with strategies and skills in designing and executing OpenEMIS training. After completing this course, participants will be issued a certificate of attendance and may also choose to undertake assessment tasks to become a Certified OpenEMIS Trainer.

Purpose(s)

To build capacity in a cohort of trainers, who will further conduct OpenEMIS training.

Deliverable(s)

1. Trained persons (maximum 12) equipped to provide training on OpenEMIS

Duration

The duration of this activity is 5 days.

Location

The location of this activity is onsite.

Prerequisite(s)

Participants are expected to have a basic knowledge of education management and information systems. It is mandatory that participants have completed both the OpenEMIS Professional and OpenEMIS Administrator training courses.
